Disabled Persons Parking

Disabled person's parking placard or
license plate holders may park for free at
any parking meter, residential permit
parking areas, and time-limited park-
ing lots. Van-accessible spaces are clearly
signed and marked along Pacific Avenue
and in the off-street lots and garages.

Disabled person's placards or plates do not
exempt you from the parking restrictions
at white, yellow, and red zones. Parking
fees are required at attended facilities, and
pay-by-space lots and pay-n-display lots.

You must submit the citation for payment
or request an administrative review within
21 days of receiving the citation or addi-
tional fines will be assessed.

Parking citations may also be paid online
at www.cityofsantacruz.com.

Commercial loading zones (yellow zones) provide free parking of commercially plated vehicles making deliveries between 7 AM and 6 PM (except Sundays and City Holidays) for no longer than 20 minutes.

Dual use commercial loading zones combine a yellow zone with a 20-minute to 2-hour meter. Commercial vehicles may park for free to make deliveries between 7 AM and 1 PM (except Sundays and City Holidays) for no longer than 20 minutes.
